

The National Cancer Institute's Office of Liaison Activities is pleased to offer a teleconference series on crosscutting issues in cancer research. Members of cancer advocacy organizations, survivors, family, and friends are encouraged to participate in each call to learn more about NCI's important cancer research programs and how advocates are involved. Callers will have the opportunity to ask questions of panel members.

Eliminating Suffering and Death Due to Cancer by 2015: *The Future of Cancer Research*

Dr. Andrew C. von Eschenbach

Director, NCI

NCI's 2015 Challenge Goal: The Future of Cancer Research

Mr. Doug Ulman

Chair, NCI Director's Consumer Liaison Group (DCLG)

What is the role of the advocacy community in the future of cancer research?

Col. (Ret.) Jim Williams

DCLG Member

What I've learned about cancer research as an advocate and member of the DCLG.

Discussion and Q&A Moderator: Mr. Doug Ulman
